Student Support and Development: a 360° Professional Learning Opportunity

Dr Joanna Peters, Mr Brendan Mosely:
Griffith University, Nathan, Australia, University of Auckland, New Zealand

Abstract:
This e-poster will provide an update on the implementation of the Student Support and Development Course in 2018. This Course, offered fully on-line, and available either purely for professional development, or as a 10CP pathway into the Graduate Certificate of Professional Learning at Griffith University, is the first of its kind in Australia and New Zealand. ANZSSA and EPHEA offered sponsorships to support 10 participants to undertake the Course in its inaugural offering. The e-poster will provide information on promotion, sponsorship, participation, completion and evaluation, as well as recommendations for the future.

Biography:
